Vol. 16 Issue 11
November 2021

GENERAL PLAN STEERING COMMITTEE COMMUNITY WORKSHOP

**THURSDAY, NOVEMBER
18th, 2021 at 6:30 P.M.
@ Cherry Creek Ranch
Event Center -
938 S. Foothill Dr.
Located off HWY 169 and Foothill
Dr, 1 Mile east of HWY 69**

MAKE YOUR VOICE HEARD!

General Plan Assessment
Community Workshop:

At the Community Workshop you can share your ideas on topics that are important to the future of Dewey-Humboldt and could be addressed in an updated General Plan.

The workshop will start out with presentations on current Town population, economics, land uses, mobility, infrastructure conditions, potential future planning considerations, and the results of the Community Survey.

Due to the amount of people gathering, we have set some health and safety measures.

If you are experiencing a fever, not feeling well, or have been exposed to someone with Covid-19 or any variant in the two weeks prior to the community workshop, we request that you not attend the meeting. We will be taking temperatures at entry, handing out masks, and asking community members to sign in.

Anyone with a temperature over 100 degrees Fahrenheit will not be admitted to the meeting.

Please RSVP by November 12th by calling Town Hall at 928-632-7362 or sending an email to chelseavarney@dhaz.gov.

NEWS FROM TOWN HALL

TOWN HALL WILL BE CLOSED

November 11th- Veterans Day

November 24th & 25th - Thanksgiving

*Look for information
on well water testing

THE DEWEY-HUMBOLDT NEWSLETTER

*Published by the
Town of Dewey-Humboldt
(928) 632-7362
newsletter@dhaz.gov*

RETIRE YOUR FLAGS

If Old Glory has gotten a little tattered or worn—with holes, tears, and excessive fraying—it's time to retire her. For the month of November you can drop your unserviceable flags off at Town Hall during office hours and at the end of the month American Legion Post 78 will pick flags up to be retired.

Thank you to all our men and women serving and who have served for our right to fly our flags proudly and freely.

COLD WEATHER

Cold weather is right around the corner! Please have your furnaces or heating system checked out by a licensed mechanical contractor. When was the last time you tested your smoke alarms? Let's play it safe this season and replace the battery or add a new alarm. May we all have a nice warm and safe winter!

CENSUS 2020

The 2020 Census data on redistricting of congressional and state legislative districts can be found online here:

[Strength in Numbers: A Guide to the 2020 Census Redistricting Data](#)

Arizona has no change to House of Representative seats. To see full info on apportionment and more click here:

THANKSGIVING SAFETY

Thanksgiving is a joyous time filled with family, friends, and food. As you start preparing for your holiday celebrations and planning the menu, remember these few tips for a successful and fire free feast!

1. Be alert! If you've consumed alcohol, don't use the stove or stovetop.

2. Stay in the kitchen while you are frying, grilling, sautéing, boiling, or broiling food. If you see wisps of smoke or the oil smells, immediately turn off the burner and/or carefully remove the pan from the burner. Smoke is a danger sign that the oil is too hot. To prevent this heat oil slowly to the temperature you need for frying or sautéing and add food gently to the pot or pan so the oil does not splatter.

3. Always cook with a lid beside your pan. If you have a grease fire, slide the lid over the pan and turn off the burner. Do not remove the cover because the fire could start again. Let the pan cool for a long time and never throw water on a fire or use a fire extinguisher on a grease fire. Small grease fires must be smothered instead.

4. If you are simmering, baking, or roasting food, check on it regularly – remaining in the kitchen while food is cooking. If you must leave the kitchen, use a timer on your stove or phone as a reminder to keep track of cooking times and the cooking process, particularly for foods that require longer cook times.

5. Keep anything that can catch fire – oven mitts, wooden utensils, food packaging, towels, or curtains away from your stovetop.

6. Avoid wearing long sleeves, hanging fabrics, and loose-fitting clothing that could come in contact with a heat source. Sleeves could ignite and catch fire from a gas flame or hot burner. Instead, wear short, close fitting or tightly rolled sleeves when cooking.

7. To prevent injury, keep children away from the stove, hot foods and liquids, and knives. Kiddos should keep 3 feet away from areas where hot food or drink is being prepared or served. Steam or spills from these can cause severe burns. Same goes for our furry friends.

8. Keep matches, lighters, and lit candles out of reach of children.

9. Keep the floor clear so you don't trip over guests' personal items or children's toys

10. Make sure your smoke alarms are working by pushing the test button to test them.

In Memoriam

Floyd Wright passed away on September 25, 2021. He and his wife Nancy moved to Humboldt in 1999, and with his two sons built his retirement home. Floyd served on the Town Council from 2007 to 2009. He is survived by his wife of 62 years, Nancy Wright, their three children, eight grandchildren, and two great grandchildren. A memorial was held October 23rd at Humboldt Bible Church.

PROTECT YOUR SEPTIC THIS HOLIDAY SEASON!

Prevent scum build up in your septic tank, clogged pipes, and soil clogging in the drain field by disposing of fats, oils, and grease (FOG) properly. The liquid oil from frying foods will turn solid when it is cool and stick to the sides of pipes where it can cause a blockage. Bacteria in a septic tank are unable to break down large amounts of FOG. Cease the grease and never pour fats, oils, or grease down drains. Instead, collect small amounts into a jar or can and once cool, discard into the trash. For large amounts secure into a jug or bottle and take to any Yavapai County Transfer Station for Household Hazardous Waste.

HUNGRY FOR SOME CONVERSATION?

Join the Town Manger, Ed Dickie, for a bite to eat, with some good conversations on the side at Mamma's Kitchen Café in Humboldt.

Ed will be available at Mamma's every Tuesday morning from 8:00 to 9:00 a.m. Come on down, put in your order and prepare some good conversations to cook up with Ed.

Don't worry, he won't bite! He's ready to process your concerns and cook up some solutions.

MEETING DATES

Town Council Chambers
2735 S. Hwy. 69, Humboldt
(unless otherwise posted)
